Welcome Message

Dear Colleagues and Friends,

On behalf of the Organising and Scientific Committee, we are delighted to welcome you to the **8th SSRHR Meeting**. This year's main topic is "**Reproductive Medicine Towards the Future**" and, as during previous meeting's editions, our goal is to deliver a high quality scientific program, sharing the latest developments and giving the floor to our colleagues to share with us different perspectives on our field of interest, the Human Reproduction.

The meeting will be a traditional person-to-person meeting, which we believe that, you all are longing for; therefore, we plan to provide many opportunities for networking professionally and socially, giving the opportunity to meet new and old friends.

So, I look forward to welcoming you in Heraklion Crete on October 18-20, 2024.

Professor Antonis Makrigiannakis, MD, PhD

GENERAL INFORMATION

Crete / Heraklion

Crete, the island of king Minos in the southern part of the Aegean Sea, is full of natural beauties to explore and enjoy.

Heraklion is the capital of Crete and one of the Mediterranean region's most fascinating and vibrant cities.

Even though it has an often crowded city center, the main Town keeps its fairytale vibe. Strolling around the town, you will come across Koules fortress, at the Venetian port, Turkish and Venetian fountains, Venetian buildings, the Venetian Loggia and museums, such as the Archaeological Museum, the Historical Museum and the Museum of Natural History.

Venue

The Meeting is held in Heraklion, Ibis Styles Heraklion Central Hotel.

A Koroneou 26 & Agiou Titou,
