Dear Friends,

It is with great honor and pleasure that we invite you once again, on behalf of the MSRM & SSRHR Organizing Committee, to the **XV Annual Meeting of the Mediterranean Society for Reproductive Medicine** which will be held from the **19th to the 21st October 2018, at the IBIS STYLES Heraklion Central Hotel** in Crete.

We are confident that the **XV Annual Meeting of the Mediterranean Society for Reproductive Medicine will serve as a unique opportunity to all its professionals and participants to deepen their knowledge and expertise in a wide array of topics of Reproductive Medicine.**

It will also enable the MSRM community to disseminate its scope and mission further and to attract a growing number of members / partners within the International Human Reproduction Society.

To this end, we have already secured exceptional speakers to hold presentation on the following topics:

ANDROLOGY
ENDOMETRIOSIS
ENDOMETRIUM
FERTILITY PRESERVATION
HPV AND INFERTILITY
HYSTEROSCOPY
IMMUNOLOGY OF IMPLANTATION
IMPLANTATION
MENOPAUSE
ORAL CONTRACEPTIVES
OVARIAN STIMULATION
P.O.F
REPEATED IMPLANTATION FAILURE
REPRODUCTIVE ENDOCRINOLOGY
REPRODUCTIVE SURGERY IMAGING IN GYNECOLOGY
STEMM CELLS
ULTRASOUND IN GYNECOLOGY

We invite all authors to submit abstracts related to the above topics.

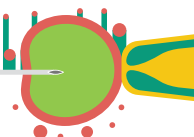

We look forward to welcoming you all and we hope that you will join us to share another memorable scientific and cultural experience.

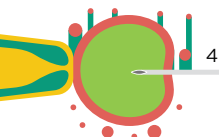

Professor Antonis Makrigiannakis, MD, PHD
Professor of Ob/Gyn, University of Crete

INFORMATION FOR AUTHORS

The Scientific Committee invites authors to submit abstracts related to the below mentioned topics and to be considered for inclusion in the Scientific Program as Oral or Poster Presentations. Participants wishing to contribute to the Scientific Program of the Meeting are kindly requested to submit their abstracts before September 17th, 2018 together with the registration form and the registration fee of at least one author (Presenting).

All abstracts must be submitted by e-mail: **info@era.gr** and must be original and have not been published or presented at any previous conferences / meetings.

The abstract must be original and have not been published or presented at any previous conferences/meetings. The Scientific Committee will endeavour to schedule abstracts according to authors' preferences but reserves the right to decide on the final form of presentation.

TOPICS

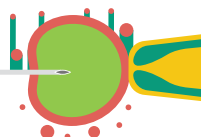

- > ANDROLOGY > ENDOMETRIOSIS > ENDOMETRIUM > FERTILITY PRESERVATION
- > HPV AND INFERTILITY > HYSTEROSCOPY > IMMUNOLOGY OF IMPLANTATION
- > IMPLANTATION > MENOPAUSE > ORAL CONTRACEPTIVES > OVARIAN STIMULATION
- > P.O.F > REPEATED IMPLANTATION FAILURE > REPRODUCTIVE ENDOCRINOLOGY
- > REPRODUCTIVE SURGERY IMAGING IN > GYNECOLOGY > STEM CELLS
- > ULTRASOUND IN GYNECOLOGY

ABSTRACT FORMAT

1. Size: The abstract should not exceed 250 words.
2. Style: We recommend structuring the abstract into paragraphs, like Background, Aims, Methods, Results, Summary / Conclusions. The abstract must be typed in English in Times New Roman 11pt and will be adjusted in size for printing.
3. Please enter your information as follows:
 - a) Title: The title must be in capitals and should not exceed 0 words.
 - b) Authors' names: The name of the Presenting Author should be mentioned first underlined. Separate multiple authors with commas.
 - c) Institution(s): Abbreviate if necessary; full postal addresses are not required.
 - d) Background: A short introduction is needed to the background of the study. Limit information to the essentials. If you are referring to published work please cite it.
 - e) Aim: Please mention the aim of the study.
 - f) Methods: Give enough details for the reader to understand what techniques were used; include details of statistical methods.
 - g) Results: Results must be stated. If the method should ordinarily produce numerical data, then numbers must be presented with appropriate statistical results.
 - h) Summary/Conclusions.
 - i) References (up to three): Surname(s), initials, title of paper, volume, pages, and year.

The MSRM International Meeting is pleased to offer TWO awards to the two best Science Abstracts submitted for Oral or Poster presentation at this year's Meeting under any of the above mentioned topics. The aim of these awards is to increase the level of basic science at the Meeting. Young investigators are in particularly encouraged to submit their work. The prize winning abstracts will be selected by the Scientific Committee.

For more detailed instructions please contact the Meeting Secretariat by e-mail info@era.gr or by telephone 030 210.36.34.944

CRETE

Crete, the island of King Minos in the southern part of the Aegean Sea, is full of natural beauties to explore and enjoy. Picturesque ports and sandy beaches with transparent waters will help you relax and at the same time discover the continuing fascination and attraction of the island. The temperature of the sea in September is ideal for swimming and Cretan beaches have been awarded the European blue flag for clean waters and care for the environment.
